

Name _____

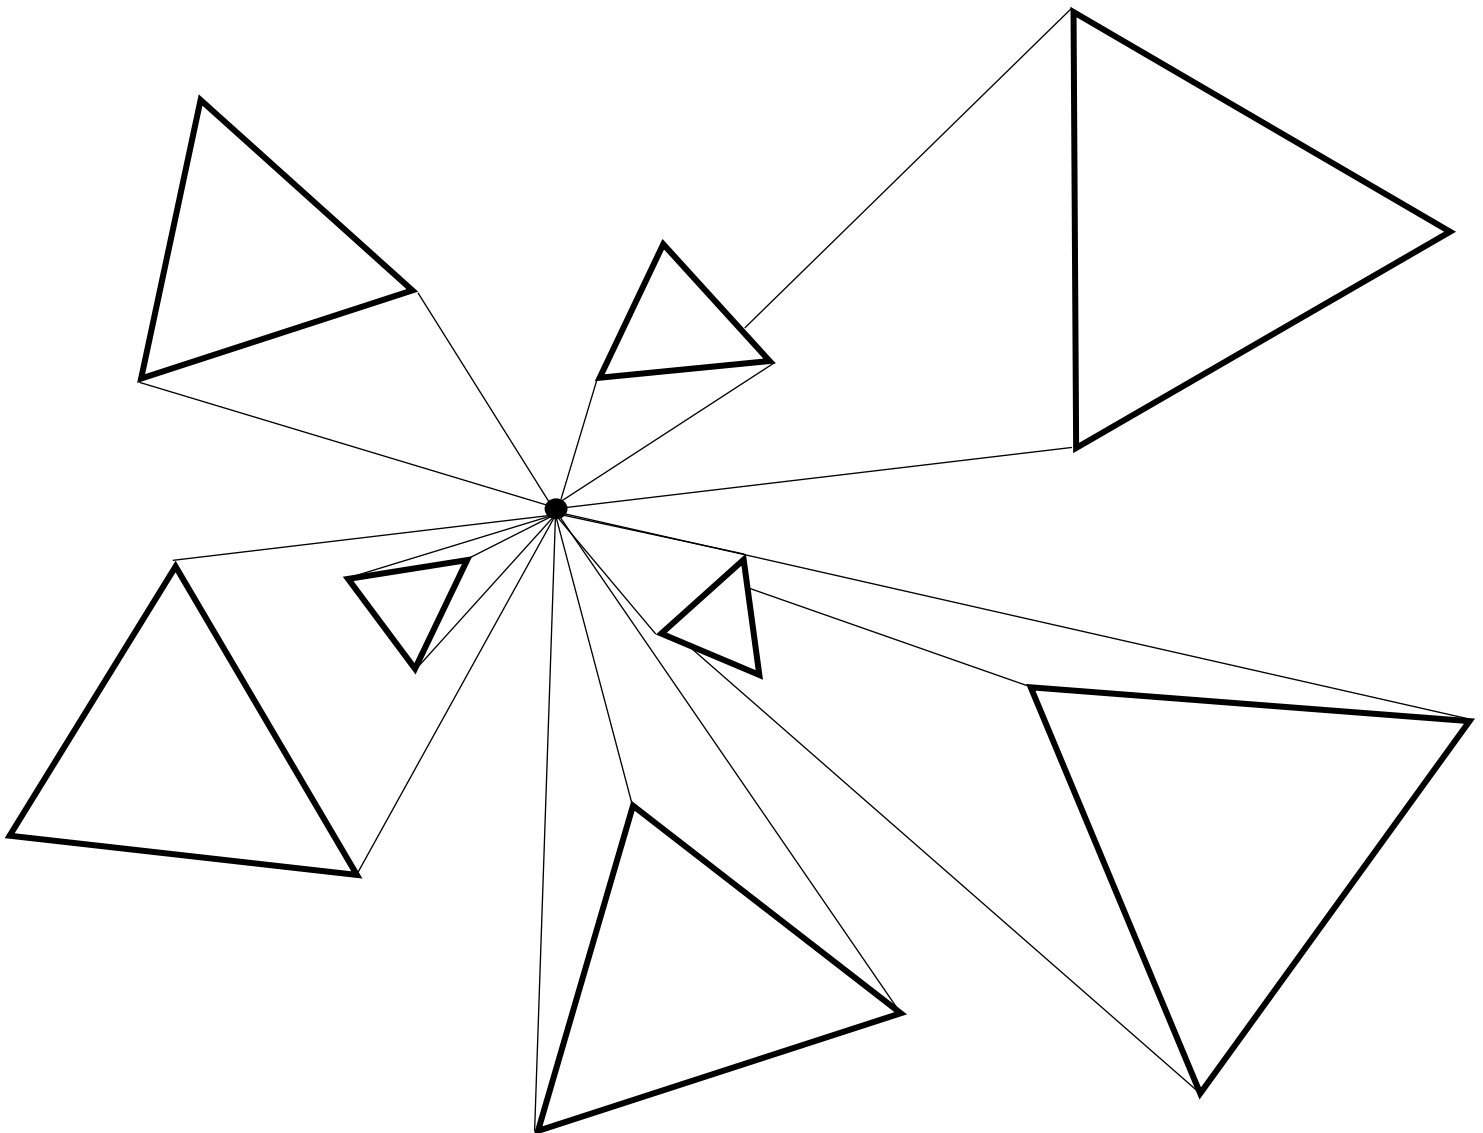

Class Period _____

Prisma Practice

Instructions: Create 3 different gradients from light to dark in the following 3 boxes.

Instructions: Blend 2 different colors in each of the 3 boxes.

Instructions: Practice shading the following image. Only shade the sections attached to the shape, not the shape itself. The closer the section is to the vanishing point, the darker the value should be.

Class Period _____

Instructions: In order to remember all the values you used, color inside the box and write the name of the prisma color on the following line.

[illegible]
